

NOTICE OF DISCONTINUANCE OF PERMANENT ABSENT VOTER APPLICATION LIST

Previously, Michigan voters could sign up to be on the Permanent Absent Voter Application List to receive an absentee ballot application before each election. In 2024, the state implemented the new Permanent Mail Ballot List which allows voters to sign up to receive a ballot before every election, eliminating the need to submit a new application each time.

Please note that **Sanilac Township will be discontinuing** our Permanent Absent Voter Application List and this is the last automatic Absent Voter Application you will receive.

There are still two ways in which you can receive an Absentee Ballot:

1. You may submit a properly completed Absent Voter Application for each future election in which you would like to request a ballot, or you can apply on line at: mVIC.sos.state.mi.us/AVApplication/Index.
2. You may request to be placed on the Permanent Ballot List so that you will automatically receive a Ballot for each future election in which you are registered to vote."
